Subject: Call for papers - The 9th International Conference on Business and Industrial Research (ICBIR2024)

Dear President,

The International Conference on Business and Industrial Research (ICBIR) is a multidisciplinary academic conference which includes research in science, engineering, informatics, modern business, social science and linguistics which organized in every year by Thai-Nichi Institute of Technology (TNI) and Technology Promotion Association (Thailand-Japan) (TPA) since 2010. The Artificial Intelligence Association of Thailand (AIAT) has been also invited to be co-host of ICBIR since 2022. The ICBIR2024 will be on 23-24 May 2024 at the conference hall of Thai-Nichi Institute of Technology, Bangkok, Thailand.

The ICBIR2024 will provide opportunities for the researchers, academicians, industry persons and students to interact and exchange ideas, experience and expertise in the current trend and upcoming technologies. Besides this, participants will have the opportunity to meet people with similar research interests which can lead to future research cooperation. The need for a multidisciplinary conference is to make transdisciplinary collaboration among researchers from around the globe. The areas of research covered by ICBIR are the most disruptive technologies currently undergoing a massive transformation. Papers that are accepted and presented in the conference will be submitted for inclusion in the IEEE Xplore digital library subject to meeting IEEE Xplore's scope and quality requirement and indexed by EI/Compendex. IEEE also submits all conference proceedings for indexing to Web of Science and Scopus/Compendex, as well as a few other downstream indexers.

For the participants who are IEEE members, AIAT members and TNI's partner universities' faculty and students, will receive a 10% discount of registration fee.

I cordially invite you to submit your research articles and participate ICBIR2024. We also would like to ask your favor to distribute call for paper submission of ICBIR2024 to your institution's members and the researchers in your connection networks.

Yours sincerely,

Assoc. Prof. Rungsun Lertnaisat
President of Thai-Nichi Institute of Technology
